

Quick Reliable Accurate

PDT 300 Digital Thermometer

The industry's **fastest** pocket digital is now **WATERPROOF** and **meets FDA guidelines** to test thin foods with a 1.5mm tip!

- Waterproof
- $\pm 2^{\circ}\text{F}$ Accuracy
- Leaves only a small, unobtrusive hole - avoids juice loss in patties, roasts or filets
- Quick Response - 6 seconds or less!
- Data Hold
- BioCote® Antimicrobial Protection
- Field Calibratable
