

# The Classic Dog Steamer & Merchandiser

Similar to our Dog Hut™ Merchandiser, The Classic Dog uses steam to prepare your vendables. Our new Classic Dog Merchandiser, however, is a more compact distribution machine. This unit will work great to help manage high customer demand.

**\*Tongs Included!**

## The Classic Dog's High Quality Features:

- Heavy Duty 20 gauge stainless steel construction throughout makes The Classic Dog a top choice for durable hotdog steamers.
- Removable product trays and foldout door allow for easy access to hotdogs and makes for simple and easy clean up. Dishwasher safe!
- Heat indicator light allows you to know when the machine is heating.
- Variable adjustable bulb-style thermostat allows a more accurate water temperature control.
- Standard divided hot dog tray accommodates any size hotdog and sausages.
- Can hold up to 192 hotdogs, but can use the Removable Insert (included); allowing for a combination of up to 96 hotdogs and 30 buns.
- Eight quart water reservoir for increased holding times is the largest in the business! Plus, the quick turn water release valve eliminates burned fingers and spilt water.
- Strikingly graphics on both sides to allow the unit to be displayed for front-counter or rear-counter merchandising.

**\*Bun Insert Included!**

**Five-year Warranty! The DogHut is fully warranted for up to 5 years - the best in the business. Thanks for your support of Paragon and for buying American Made Products!**
